

2018 Burloak Dragon Boat Raffle

As a Not for Profit, Burloak needs to be resourceful in providing excellent service, programs and equipment on a shoe string budget.

A few years ago, a raffle was introduced as a much-needed fundraiser. The raffle is unique in that people may choose to resell their raffle tickets to recover the costs or keep the ticket to win cash.

We are introducing a modified version of this for the Dragon Boat Programs in an opportunity for you to win prizes and help contribute to the club's financial health.

What this means for your crew is:

1. Each crew member is provided with a Raffle Ticket (Cost \$10).
2. You may sell that ticket to anyone or keep it for yourself. If you sell your raffle ticket you keep the \$10 from that sale.
3. Return the filled-out ticket stub to the club and this is entered into a draw to be held in August:

1st prize: \$1250

2nd prize: \$750

3rd prize: \$500

4th, 5th, 6th, 7th and 8th prizes are \$100 each

Total Prize payout \$3000 - One person with 10 tickets could possibly win all the prizes (we had multiple winners last year)

Draw date August 23, 2018 @ 7:30 pm
